Re: United States v. Pedro Cabrera
07-CR-699 (HB)

Dear Judge Baer:

I represent the defendant Pedro Cabrera who is to be sentenced on April 17, 2008.

I respectfully request an adjournment of the sentence to June 18, 2008, or thereafter so that my client may continue to help his father and mother resettle in Florida. While I have been able to review the PSI with my client, this request is also being made in order that I may be able to further prepare a sentence memorandum with my client.

My client has been unable to devote adequate time to help me because he has been in the midst of helping his father who is quite ill, and with whom he resides to dispose of his business, and move to Florida where he will be residing to be near other family members while the defendant is incarcerated.

I have consulted with AUSA Todd Blanche who has authorized me to inform this Court that he consents to my request for an adjournment.

Thank you.

Respectfully,

Robert Blossner
